**THE CROSS SHOWS US GOD'S
PERFECT LOVE AND FORGIVENESS**

Jesus not only taught God's way of love, but he showed how far God was willing to go to share in our suffering and to restore us to wholeness of life and happiness. Jesus overcame sin, suffering, and death through his victory on the cross. His death brought us freedom from slavery to sin and the promise of everlasting life with God. He willingly shared in our suffering to bring us to the source of true healing and freedom from sin and oppression. He showed us the depths of God's love and compassion, by sharing in our suffering and by offering his life as an atoning sacrifice for our sins upon the cross. His suffering is redemptive because it brings us healing and restoration and the fulness of eternal life. God offers us true freedom from every form of oppression, sin, and suffering. And that way is through the cross of Jesus Christ. Are you ready to embrace the cross of Christ, to suffer for his sake, and to lay down your life out of love for your neighbor? Lord Jesus, may your love always be the foundation of my life. Free me from every fear and selfish-concern that I may freely give myself in loving service to others, even to the point of laying my life down for their sake.
