TRUE HUMILITY FREES US
TO LOVE AND SERVE SELFLESSLY FOR THE
GOOD OF OTHERS

Humility is the queen or foundation of all the other virtues because it enables us to view and judge ourselves correctly, the way God sees us. Humility leads to true self-knowledge, honesty, realism, strength, and dedication to give ourselves to something greater than ourselves. Humility frees us to love and serve others selflessly, for their sake, rather than our own. Paul

the Apostles, gives us the greatest example and model of humility in the person of Jesus Christ, who emptied himself, taking the form of a servant, ...who humbled himself and became obedient unto death, even death on a cross (Philippians 2:7-8). The Lord Jesus gives grace to those who seek him humbly. Do you want to be a servant as Jesus served? Lord Jesus, you became a servant for my sake to set me free from the tyranny of sin, selfishness, and conceit. Help me to be humble as you are humble and to love freely and graciously all whom you call me to serve.

ABORTION IS MORE THAN AN ISSUE. Abortion is murder. Abortion, without hinting: whoever performs an abortion kills. You take any embryology textbook of those students that study in medical school. At the third week of conception, at the third, many times before the mother notices, all the organs are already there. All of them. Even the DNA. [...] It's a human life, period. This human life must be respected. This principle is so clear. And to those who can't understand it I would ask two questions: Is it right, is it fair, to kill a human life to solve a problem? Scientifically it is a human life. Second question: Is it right to hire a hitman to solve a problem? - Pope Francis, September 15, 2021
